## WINTER.

or shorter, or longer.

It is the winter coming.  
I have no better chance than this;  
There has been much from the big city;  
Marched through her streets with martial drums.

Her drum beats at the gate,  
The drum beats at the gate,  
No fear for child of earth here.  
Nor fear for boy under sea.

The drum beats at the gate,  
The drum beats at the gate,

Drums at the gate.

Drums at the gate.
